I am readily familiar with the firm's practice of collection and processing correspondence/documents for mailing. It is deposited with the United States Postal Service on that same day in the ordinary course of business. I am aware that on motion of the party or parties served that service is presumed invalid if the postal cancellation date or postage meter date is more than one (1) day after the date of depositing for mailing.

I certify and declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct and that this declaration was executed at San Francisco, California, on May 17, 2010
